LEVEL UP YOUR VOICE

LEVEL 1 HERO'S AWAKENING

Step into the arena and discover your inner voice! Teens kick off the camp by learning how to project confidence, control their nerves, and speak with power. They'll experiment with tone, volume, and presence, gaining skills that boost not only public speaking but also everyday conversations, interviews, and class presentations.

LEVEL 2 STORYTELLING FORGE

Facts tell, but stories sell. Teens will transform personal experiences into compelling stories that captivate any audience. This builds not only speaking ability but also empathy, clarity of thought, and the confidence to inspire others.

LEVEL 3 OUTDOOR QUEST

Communication doesn't just happen in classrooms, it happens everywhere. In this outdoor adventure, campers learn how to project their voices against distractions, own their voice, and command attention in challenging environments. This teaches resilience, courage and adaptability, so they'll be ready to speak up confidently in any setting.

LEVEL 4 BACK TO THE GRIND

Before heroes can wield power, they must master the basics. This intensive session sharpens the core fundamentals of public speaking: structure, clarity, vocal control, and body language. Teens get the solid foundation they need to succeed in any speaking situation, from debates to leadership speeches.

LEVEL 5 IMPROMPTU GAUNTLET

No scripts. No preparation. Just quick thinking and sharp delivery. In this high-energy level, teens practice responding to curveball questions and surprise topics. It builds spontaneity, critical thinking, and confidence, the exact skills that help them excel in interviews, debates, and life's unscripted moments.

LEVEL 6 FINAL BOSS BATTLE

The ultimate test. Every camper crafts and delivers a powerful speech before a live audience. Parents get to witness the transformation: teens who once hesitated now stand tall, command the stage, and inspire with their words. It's more than just a showcase, it's a life milestone.
